

4835 Sentinel Post Road | Our Homestory

What do we love about our home? Honestly, we'd be hard pressed to find something we don't love! Montibello is one of those special neighborhoods located just a few miles from Southpark, a short drive to Ballantyne or Uptown and yet you'd never know it's there. Nearby we're surrounded by two great Harris Teeters and you can walk to Carmel Country Club and Starbucks!

Our street, Sentinel Post Road is more like a *cul de sac* where mature trees provide a canopy of shade that is a walker's paradise - most days the walkers and their dogs outnumber the cars! Maybe that's it the peace and quiet. Sitting on our back patio Rhonda and I feel like we've been dropped into a retreat with a chorus of birds that would make Audubon jealous! In the house while we have formal rooms there is a flow that is wonderful for entertaining.

OK we don't love the kitchen but we had some stunning plans to open it to the den. While the home is great as it is the bones are an architect's dream - we had some big plans for this house and think you will too. Now that our kids are off to college we've made the tough decision to downsize a bit. Lucky You!

We hope you fall in love with our home and that *you'll make it your own*. We'd love to see what you do with the place...after all we'll always love, *love* 4835 Sentinel Post!
