

8920 Heydon Hall Circle | Our Homestory

Heydon Hall is a special place to live, a welcoming neighborhood where I've lived with my daughters for several years. Neighbors gather, stop and talk. Children are outside playing & being kids. People stroll or walk their dogs on the quiet neighborhood streets.

There are neighborhood social gatherings where everyone is invited. The annual Chili Cook Off is coming up, in the Spring progressive dinners are planned, Christmas Parties and of course "camping on the green". Come spring impromptu cocktail gatherings are always popping up on the green!

The men have a monthly card game with a five dollar buy in. It's high stakes, you can only lose five bucks the entire night - that's the cheapest fun and fellowship you can find! Chill with friends or meet someone new, enjoy a nice glass of wine, your favorite spirits and a light meal.

The women have regular social gatherings as well. I don't know exactly what, but they do happen. Hey I'm a guy, I really don't know, but something fun does happen.

I enjoy the neighborhood and will be downsizing to a smaller home three doors down. I hope you love our home and I look forward to being your neighbor!
